SMS Overview

- One Number** Send and receive SMS/MMS texts from your existing business telephone number. Your contacts will always know who's texting and can respond as they choose.
- 2-way** 2-way T2M SMS allows you to use the Microsoft Teams platform to maximize your reach and impact. Text from all your Teams channels.
- Alerts** Never miss a conversation with message notifications in Teams powered by T2M's Carl the Collaborator Bot. He'll alert you no matter where in Teams you're working.
- Custom Naming** Easily distinguish text threads with standard naming conventions. Search for names rather than numbers for both contacts and groups.
- Easy Admin** T2M SMS includes an easy-to-use Admin Console for simple, centralized user set-up and management. If you need assistance, fast support is always available by phone, email, and online.
